## Welcome

Take off your coat, grab a cup of joe and relax a while.

We have all your favorite *coffee* and *tea* beverages ready in a flash or less, plus a full menu, with something for everyone's taste.

If you can't find it here, it can't be found. Real comfort right down the block. We are open early and late to give your life that little something that you are so desperately looking for.

Join us on the second Sunday of every month for our fabulous and friendly pancake breakfast! Outdoors on the loading dock during the summer, you can enjoy the weather, trains, and good company that has made this a Diamonds tradition. Indoors and cozy in the winter, it's an even more intimate setting - catch up with old friends, make new friends!

What's new this week? Check out the [Calendar page](#) [1]! This is sort of a clone of our printed calendars (which we do every year - on sale now at the shop), with all kinds of upcoming events, both motorhead related and generic other stuff, as well as group meetings at Diamonds and elsewhere. Search the calendar page carefully - there are hidden coupons for those who are diligent !

Lots to peruse, like the new [Photo Gallery](#) [2].

There a few new [Links](#) [3] too, and look at that printable [Menu](#) [4]!

Let us know what you think!

~Lucy~
